FOR IMMEDIATE RELEASE

Quorum Technologies Ltd and Shanghai Winner International Trade Co Ltd Distribution Partnership

Quorum Technologies and Shanghai Winner are delighted to announce their official distribution partnership in China from the 1st of September 2023.

Quorum Technologies manufactures market-leading scientific instruments used for Electron Microscopy (EM) sample preparation. While Quorum Technologies was founded in 2001, our history goes back further to the pioneering EM sample preparation work of Polaron and Emitech. Today Quorum Technologies continues this fine tradition as a trusted partner around the world, selling directly in the UK and with an extensive global network of distributors.

Shanghai Winner is dedicated to Electron Microscopy sample preparation and imaging solutions with an established strong sales and service team in the Chinese EM market.

With the Electron Microscopy sector experiencing significant growth and expansion in China, Quorum Technologies partnership with Shanghai Winner will optimise and enhance the sales pipeline and service levels in the territory.

Quorum Technologies Managing Director, Geoff Spink noted “I am very pleased to welcome the team at Shanghai Winner to the family of Quorum distributors and partners around the world. We are looking forward to a mutually beneficial relationship, providing sales, service, and support to Quorum clients and customers”

Shanghai Winner Managing Director, Michael Heng added “It’s a great pleasure to start the cooperation with Quorum, Shanghai Winner is committed to providing the best products and services to Chinese Electron Microscopy customers, and Quorum products will be perfect enhancing the current Shanghai Winner sample preparation portfolio, I do believe Quorum products will be a great support to Chinese science research.”
